A Status Conference in this case is scheduled for June 9, 2008, before Judge Patel. The parties have reached an agreement in principle to settle the case and are attempting to work out the details of the agreement and reduce the agreement to writing, after which time they expect to dismiss the case. The parties met as recently as April 18, 2008, in Taipei, Taiwan and made good progress toward reducing the agreement to writing, although several issues remain open. After the Taipei settlement meetings, ASUS sent revised drafts of the settlement and license agreements to Ricoh on May 9, 2008. Ricoh is currently studying those drafts. The parties request that the conference be removed from the Court's calendar to give them time to complete the settlement process. The parties request that the status conference be postponed for a further 30 days or until such time thereafter as is convenient for the Court. The parties shall promptly inform the Court if the settlement process is successfully concluded. This motion is supported by the declaration of J.C. Rozendaal pursuant to Civil L.R. 6-2.

Dated: May 27, 2008

Respectfully submitted,

/s/ Ronald S. Lemieux
